

MORE TRAINS TO CAMP CODY

S. P. Adds Additional Passenger Service El Paso to Yuma Soon.

Due to the great increase in traffic on the Tucson division of the Southern Pacific railroad, which extends from Yuma to El Paso, two additional passenger trains will be placed in operation within two weeks, according to an announcement made Tuesday.

The new trains will be locals. The eastbound passenger will start from Yuma after No. 2, the eastbound California, and will arrive in El Paso ahead of No. 18, the Sunset Express, which arrives in El Paso at 10 o'clock at night.

The westbound passenger will leave El Paso some time after the departure of the westbound California, which leaves El Paso at 8:45 o'clock a. m.

Schedule To Be Announced. The exact schedule for the two new trains has not been worked out yet, but will be announced within a few days, it was said.

COMMERCIAL CHAMBERS ASKED TO BE GUESTS AT CAMP CODY

Gen. F. C. Mauldin, Gen. George H. Barrie, Col. F. L. Hall, Jr., and other officers in command of the military forces at Camp Cody, Deming, N. M., have extended an invitation to the officers and adjutants of the El Paso chamber of commerce to visit Camp Cody Sunday, Dec. 3, as their guests.

A rate of \$4.15 for the round trip in parties of 15 or more has been made by the Southern Pacific Railway company for the occasion.

The matter will be taken up at a meeting of the board of directors tonight and an earnest canvass made to secure the largest possible number, not only members of the chamber of commerce, but other El Paso business men to make the trip, with a view to ward learning what has been done in the way of building a great military city at Camp Cody.

TROOPS LAY OFF TO EAT TURKEY

Holiday Ordered in Camps Here; Mess Halls to Have the Market's Best.

Thanksgiving day will be a complete holiday for United States soldiers in El Paso, and in place of drills and other routine duties there will be a program of dances, sporting events and other entertainments, together with an elaborate Thanksgiving mess at all of the regimental dining rooms.

Announcement of the observance of the day as a legal holiday will be contained in a memorandum issued from district headquarters.

Menus for the different regiments have been arranged by mess sergeants and approved by the commanding officers. Although each regiment will have a somewhat different list of good things, there will of course be the traditional turkey, cranberry sauce, plum puddings, pie, roast pig and other delicacies.

Many Will Dine With Civilians. El Paso hospitality for soldiers will also be in evidence and many soldiers will be guests at homes of civilians in the city. This feature has been emphasized because it probably will be the last Thanksgiving that many will spend in El Paso for some time.

Many soldiers will attend Thanksgiving services in the city churches, although some regimental chaplains will hold special Thanksgiving services.

In the afternoon the principal gathering of interest will be the football carnival at the high school stadium.

Informal dances will be arranged at the Sheldon and Pasa del Norte hotels in honor of visiting officers from Camp Cody. They will start at 4 o'clock in the afternoon and will finish in time for the officers to take the train for Deming, which will leave about 10:30 o'clock.

A housing exhibition has been arranged for the Fort Bliss arena in the evening. There will also be dances and other entertainments arranged for soldiers who do not attend the boxing exhibition.

BERGECOLISIS ARMED SOLDIER'S SCOURGE

Discharged Soldier Declares There Will Be 400,000 Cases of It.

Tuberculosis is the worst scourge that the troops of the allied forces have to meet, said Hollie V. Limper, who said he was a former soldier in the British army and in El Paso for his health.

The disease is contracted because of the cold, dampness and exposure in the trenches. When a man's resistance is lowered it is easy for him to catch the contagion.

Limper said he came from Fort Worth, and enlisted in the British army in 1915, but was afterwards attached to the Canadian forces. After being wounded in one arm, he was sent to the United States in the spring of 1917 and enlisted at Fort Scott, N. T. A short time afterwards he was discharged.

Limper said he was a well trained company clerk in the British army, but he has received his warrant as sergeant. He is still long and skinny, but if he keeps up his present weight he will soon be a sergeant.

NEGRO'S FATE IS IN HANDS OF THE COURT MARTIAL

San Antonio, Tex., Nov. 27.—The three brigadier generals and ten colonels composing the court martial in session here today had the fate of a negro soldier of the 24th infantry in their hands.

The decision of the court may not be reached for several days. The members must vote separately on each of the charges and specifications against them. One charge, that of willful disobedience of orders, contains two specifications so that they are nine ballots to be taken upon each man.

When that is completed the findings go to Gen. John W. Buckman, commander of the southern department. If the findings meet his approval their carrying out will be ordered. Penalties also will be fixed by him.

Will Believe Nervous Depression and Low Spirits. The Old Standard general strengthening tonic, GROVE'S TASTY BLEND, cures the liver, drives out malaria and builds up the system. A sure Appetizer and aid to digestion. 8c.—Adv.
